CENTRAL REGION

Program Year Comparison PY 18/19(July 2018 – June 2019) & PY19/20(July 2019 – June 2020) WIOA Title I Adult/DW/Youth

(i) Significant changes in local economic conditions

A state training center with over 1000 initial employees and two large businesses (over 700 employees combined), one in printing and one in pharmaceuticals have announced closures by the end of 2020. Several small layoffs of 60 or less are also occurring with some service sector employers. Additional updates are provided below on labor market and economic conditions

(ii) Changes in the financing available to support WIOA title I and partner-provided WIOA services

For the first time in the history of the Central Virginia Workforce Development Board, the Board secured \$100,000 in non-WIOA funds through a Go Virginia grant that provides \$70,000.00 to upskill existing workers in our region and \$23,000.00 to begin building a regional career pathway system that includes support for a regional career expo. The Board is also fortunate to have developing relationships with the local governments and schools that will provide braided funding for youth career navigators to serve more youth with challenges before they drop out of school.

(iii) Changes to the Local WDB structure

Subsequent to the 2016 local plan, The Central Virginia Workforce Development Board has experienced several significant changes. First, was a name change in 2018 from "Virginia's Region 2000 Workforce Development Board" to "Central Virginia Workforce Development Board". Along with the Workforce Board name change, the fiscal agent changed names from "Virginia's Region 2000 Local Government Council" to "Central Virginia Planning District Commission". The CVWDB is also in the process of developing a 501c3 non-profit organization and updating bylaws to reflect these changes. This will position the Board to secure funding through private sources in addition to other grant funds. Expected completion late July 2019.

(iv) The need to revise strategies to meet local performance goals.

One of the most significant workforce challenges in the Central Virginia Workforce Development Area is finding employees who can pass drug screens, can show up to work regularly and contribute positively in the workplace (Work Ethic). The WIOA Title I programs will be working with the community college, and other partners to develop a 60-hour career readiness training specific to high demand career sectors to improve persistence through training and successful employment outcomes. The Board will also be working closely with Central Virginia Community Colleges and all school systems with significant input from businesses to develop employment sector strategies and career pathways that meet the need of our region's employers. A key strategy under development is a comprehensive Career Pathway system that will include print and web-based media to promote high-demand regional occupations for all career seekers.

CENTRAL VIRGINIA WORKFORCE DEVELOPMENT AREA

PREAMBLE

The Central Virginia Region of Lynchburg and the surrounding communities recognize that the development of a vibrant, effective workforce is important to the economic competitiveness and resiliency of our communities. We understand that workforce development is an educational process occurring at all ages and is lifelong. We recognize that by working together we can build a stronger workforce development program.

The communities of this region seek to create organizations which will be the focal point of the region's workforce development initiatives. We look for these organizations to both utilize federal Workforce Development funds and also seek other partner organizations to develop a well-rounded, successful program to provide training and education programs appropriate for all ages and for the skills needed by the community's businesses and industries.

To implement this effort, we authorize the creation of the Central Virginia Workforce Development Area and the Central Virginia Workforce Development Board in accordance with the WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)(Public Law 113-128), hereinafter referred to as the "ACT", and all federal and state guidelines for the ACT.
