Presentation of Subcommittees- Sarah Grant

- Youth committee will meet quarterly from now on and subcommittees will meet at least once in between those meetings, and communicate in between as needed.
- Subcommittees will be 4-5 people per group.

- Descriptions for each subcommittee and proposed actions are provided in an attached document.
- Members should reach out to Sarah if they have an interest in a particular subcommittee, otherwise she will divide and disburse members so there is diverse representation in each group.
- Sarah will send polls about meeting times and after the subcommittee meets, each member will have specific action items to work on in the months between meetings.
- General board meeting April 12th - Sarah will share youth program updates at that meeting.
- Next youth committee meeting will be in June.
